TC PipeLines, LP Announces KPMG LLP Retained as Auditor for Northern Border Pipeline Company

Calgary, Alberta – February 11, 2002 – (Nasdaq: TCLP) – TC PipeLines, LP today announced that Northern Border Pipeline Company, of which TC PipeLines holds a 30% general partner interest, has retained the services of KPMG LLP as its independent auditor. The change is the result of the resignation of Arthur Andersen, LLP as Northern Border Pipeline's auditor effective February 5, 2002. TC PipeLines' independent auditor is KPMG LLP.

TC PipeLines expects that it will be able to file its 2001 Annual Report on Form 10-K, including the audited financial statements of Northern Border Pipeline for the year ended December 31, 2001 and report of independent public accountants thereon, with the Securities and Exchange Commission within the filing deadline, on or before April 1, 2002.

Northern Border Pipeline has advised that Andersen indicated that its resignation was due to concerns about its ability, under professional standards regarding independence, to continue to act as auditor for Northern Border Pipeline in light of recent events involving Enron Corp. Further, Andersen agrees there have been no disagreements between it and Northern Border Pipeline on any matters of accounting principles or practices, financial statement disclosures, or auditing scope or procedures. Andersen has advised Northern Border Pipeline that it has not withdrawn any of its opinions expressed in its auditor's report for any periods for which it conducted audits of Northern Border Pipeline.

TC PipeLines will file a Form 8-K Current Report with the Securities and Exchange Commission covering Andersen's resignation as Northern Border Pipeline's auditor.
